Event & Party Reviews

Chris – Patterson, Nuss and Seymour, P.C. Remington Dec 13th

The party was lovely, the food and service were great!!! The Remington room worked out very well for us and the servers did a great job getting us out in time for the Comedy Works show!!!! Several people said they would like to try the restaurant some time as the food was excellent, I don't think anyone said anything about the change in dessert!!! Thank you to you and your staff for a wonderful experience!!! Happy Holidays!

Angie – Jackson Kelly Art Gallery Dec 12th

I thought the party went really well, as did everyone else that I have heard from. The food was great and your staff was wonderful! We thought the space looked really nice and worked perfectly for our event. I thought it all went wonderfully and we were very pleased with the way it turned out!

We really appreciate all of your hard work on the party! You did a really great job. Thanks for everything! Hope your holidays are wonderful!

Lisa – Lisa's Surprise Graduation Party Remington Dec 14th

I just hosted a surprise party for my friend yesterday, and through this whole experience I have been so incredibly happy with the service I received. Kim Hansen has been nothing but wonderful in helping me plan this event. The staff during the party (including the hostess who helped me with the surprise) were so amazing! The food was great, and absolutely worth the money. My experience with these employees has been so fantastic I will be sure to recommend and use this place in future for parties or just for dining in general. Thank you again for everything!

We were and remain extremely pleased with everything about our event at Rialto Café: the location; the space; the menus; the staff's complete flexibility regarding event times, room set-up, and menu options; the service; and, now, the follow-up.

In addition to your superior service and expertise in helping us plan this successful event, I wanted to give particular recognition to the gentlemen server with the beard (I've forgotten his name!), about whom several members of our party had very positive things to say.

While this was a unique event for us (as a supplement to a conference that is held in a different city each year), we will certainly keep Rialto in mind—and happily and heartily recommend you to friends and colleagues—in the future.

Best wishes for a professionally successful and personally joyful holiday season.

Jackie – Interior Solutions, Mezzanine Dec 6th

Thank you for all your help. The food was great and the mezzanine was just the right size. We had a late night, I'm sure you have heard. As far as I know the guests had a nice time and we had great service too. Thanks for your suggestions on the menu. No one went home hungry or thirsty!

(PS – Wayne was also very pleased with the event, despite the late start. Great service!)

Kristine – North West Environmental Training Center Comso Dec 9-10th

It sounds like everything went well on our side of things. In fact, our instructor (who has amazingly been teaching almost once a week for the last two months), said "..... this is the best venue in my memory. The room is good, the catering is extraordinary, the mic had a malfunction which they replaced at the first break, all I have to do in the morning is walk down for breakfast and then walk one more floor to the room it's all anyone could ask for!"

We had a wonderful time at the Rialto. The food was excellent and everyone complimented it. Thank you for all your assistance and we look forward to coming back soon!

Thank you and have Happy Holidays!!

Pedro – United Way Buyout Rialto Café Dec 13th

Things were great. Everyone had a good time and I received very positive comments regarding the space and food, and service. I have a question for you, can I get Marriott meeting planner points for this event?
Thanks, Pedro

Good afternoon Kim! Thank you for the follow-up. Everything went great. The breakfast was great, and the set-up was perfect. I always enjoy my stay there and the last 2 meetings I've had were great.

Thank you again for your help "long-distance" and I hope you have a wonderful holiday season!

Mike – Detechion Technologies, January 27th

We really enjoyed our stay there! The room worked out perfectly and the best part was that you and Debbie had offices around the corner and could check up on us. The downtown location was great, too. In fact, I'm only just now recovering from the fun we had Tuesday night! It'll probably be at least a couple of months before we're back there for another session, but I'll continue to take clients to the Rialto Café for lunch in the meantime.

Hi, Chad

I meant to email YOU and have had the same kind of week. Everything was GREAT. Devlin & Sean took very good care of us. Everyone enjoyed the food, drinks & wine. I discovered a new Pinot Noir, Hob Nob, which is fantastic. I am going to see if my liquor store carries it. Thanks so much, Wendy

Kirsten – Chipotle, February 11th

I'm so glad you follow up. I wanted to let you know how fantastic dinner was! Not only was the food great but the service was wonderful. Devlin was one of the best servers I've encountered; he knew exactly what we needed and was a blast. Thank you for all your help and know that we will absolutely keep you in mind for future events.
